☐ Remember Me [Forgot Password?](#)

SIGN IN

For logging in, input the faculty number and password then click the Log In button.

Forgot Password

A screenshot of the 'Forgot Password' page. The page has a white background with a faint 'PU' logo on the left and a large red abstract shape on the right. The form is a white box with a red border. It contains the title 'Forgot Password?' with a lock icon, a subtitle 'Enter your email and we'll send you instructions to reset your password', an input field for 'Email', a red 'SEND RESET LINK' button, and a blue '< Back to login' link.

Forgot Password? 

Enter your email and we'll send you instructions to reset your password

Email

Enter your email

SEND RESET LINK

[< Back to login](#)

If the admin forgot the password, just input the email address and click the button for requesting new password. Wait for the email and click the reset link to change the password.

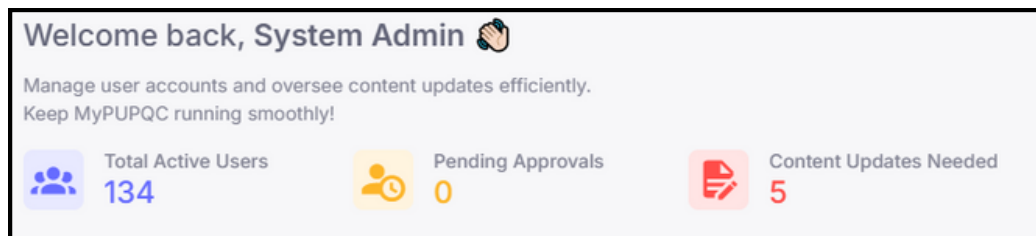

DASHBOARD

Menu

In the menu, the Dashboard, Account Management, Content Management, Audit Logs, and Admin Profile are seen. The system administrator can choose one of the options in the menu.

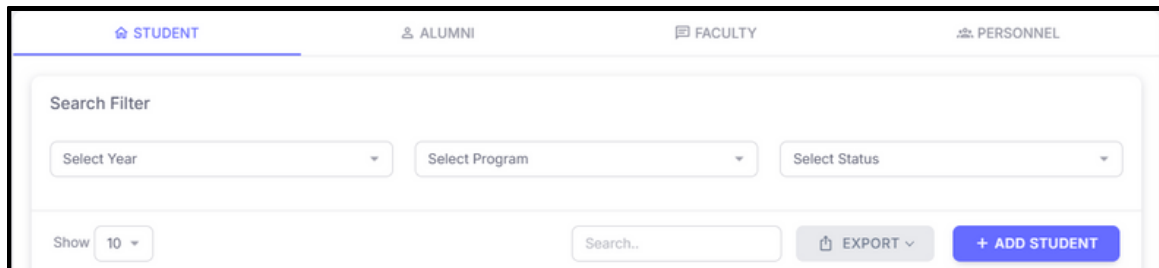

Real-time Record

In the Dashboard, the real-time record of total active users, pending approvals, and content updates needed are visible to notify system administrator.

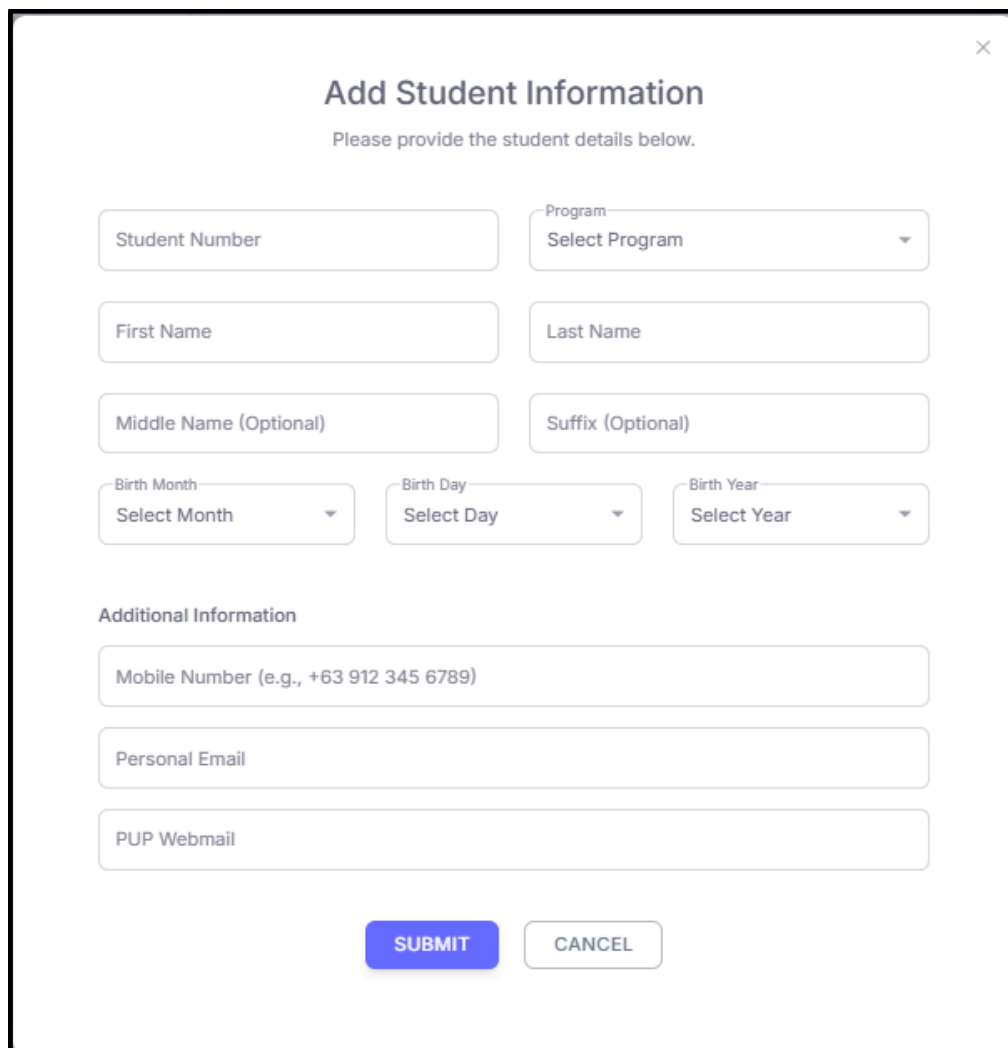

ACCOUNT MANAGEMENT

Student Management

The screenshot shows the 'STUDENT' tab selected in a navigation bar. Below the navigation bar is a 'Search Filter' section with three dropdown menus: 'Select Year', 'Select Program', and 'Select Status'. At the bottom of the filter section, there is a 'Show' dropdown set to '10', a 'Search...' input field, an 'EXPORT' button with a download icon, and a blue '+ ADD STUDENT' button.

To add a student, just click the Add Student button.

The 'Add Student Information' form is displayed in a modal window. It includes a title bar with a close button (X). The form contains the following fields:

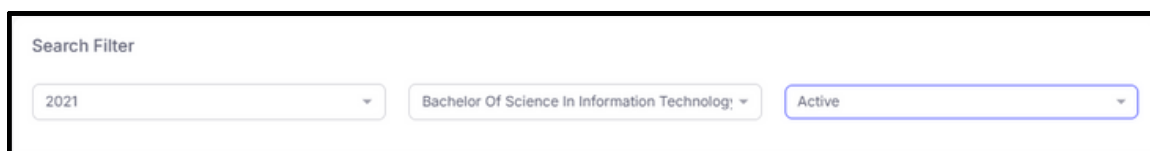

- Student Number**: Text input field.
- Program**: Dropdown menu with 'Select Program' as the placeholder.
- First Name**: Text input field.
- Last Name**: Text input field.
- Middle Name (Optional)**: Text input field.
- Suffix (Optional)**: Text input field.
- Birth Month**: Dropdown menu with 'Select Month' as the placeholder.
- Birth Day**: Dropdown menu with 'Select Day' as the placeholder.
- Birth Year**: Dropdown menu with 'Select Year' as the placeholder.
- Additional Information**: Section containing three text input fields:
 - Mobile Number (e.g., +63 912 345 6789)**
 - Personal Email**
 - PUP Webmail**

At the bottom of the form are two buttons: a blue 'SUBMIT' button and a grey 'CANCEL' button.

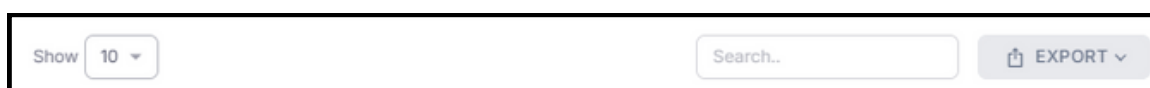

Fill out the fields. Once finished, just click the Save button.

ACCOUNT MANAGEMENT

Student Management

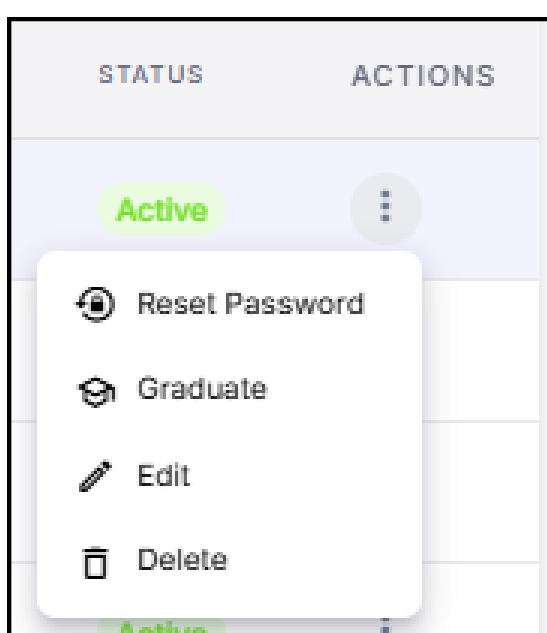

A screenshot of the 'Search Filter' section. It contains three dropdown menus: the first is set to '2021', the second is set to 'Bachelor Of Science In Information Technology', and the third is set to 'Active'.

For search filter, system administrator will choose from the year, program, and status dropdowns to show the results.

A screenshot of the table controls area. It includes a 'Show' dropdown set to '10', a 'Search..' input field, and an 'EXPORT' button with a download icon.

The system administrator can click the show dropdown to choose how many results will show in the table. Also, the system administrator can search a student's information for finding the student. The export button will export all the information shown in the table.

Student Management Actions

- Reset Password - Click for sending a reset password link to registered email of student.
- Graduate - Click for student account to be transferred to Alumni Management.
- Edit - Click for editing student information.
- Delete - Click for deletion of student account.

ACCOUNT MANAGEMENT

The image shows a filter section titled "Alumni Filter". It contains three dropdown menus: the first is set to "2014", the second is set to "Bachelor Of Science In Information Technology", and the third is set to "Active".

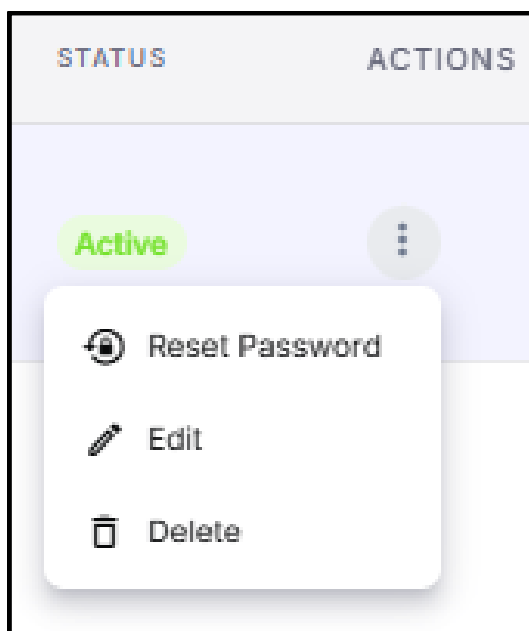

For search filter, system administrator will choose from the year, program, and status dropdowns to show the results.

The image shows a control bar for a table. It includes a "Show" dropdown set to "10", a "Search.." input field, and an "EXPORT" button with a download icon.

The system administrator can click the show dropdown to choose how many results will show in the table. Also, the system administrator can search an alumnus/alumni's information for finding the alumnus/alumna. The export button will export all the information shown in the table.

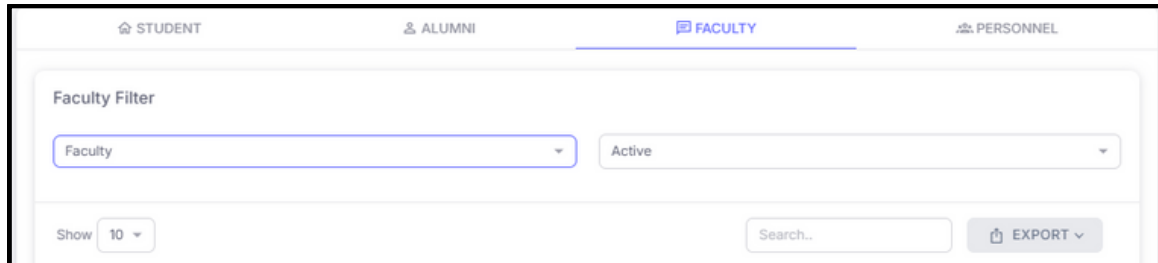

Alumni Management Actions

- Reset Password - Click for sending a reset password link to registered email of alumni.
- Edit - Click for editing alumni information.
- Delete - Click for deletion of alumni account.

ACCOUNT MANAGEMENT

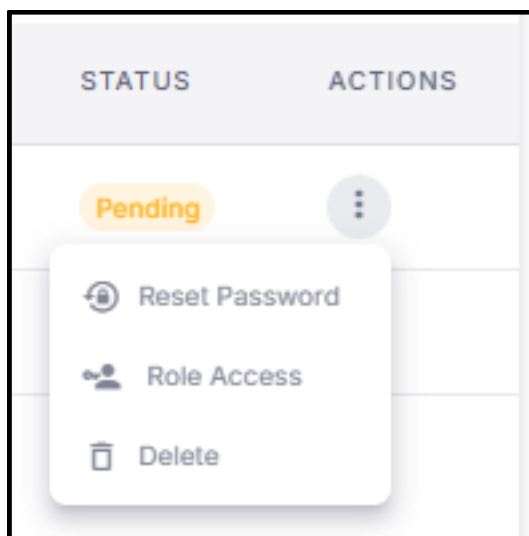

Faculty Management

For search filter, system administrator will choose from role and status dropdowns to show the results.

The system administrator can click the show dropdown to choose how many results will show in the table. Also, the system administrator can search a faculty's information for finding the faculty. The export button will export all the information shown in the table.

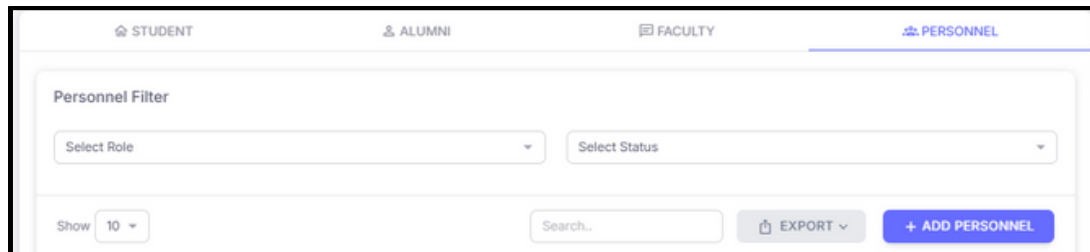

Faculty Management Actions

- Reset Password - Click for sending a reset password link to registered email of faculty.
- Role Access - Click for giving a role access to a faculty.
- Delete - Click for deletion of faculty account.

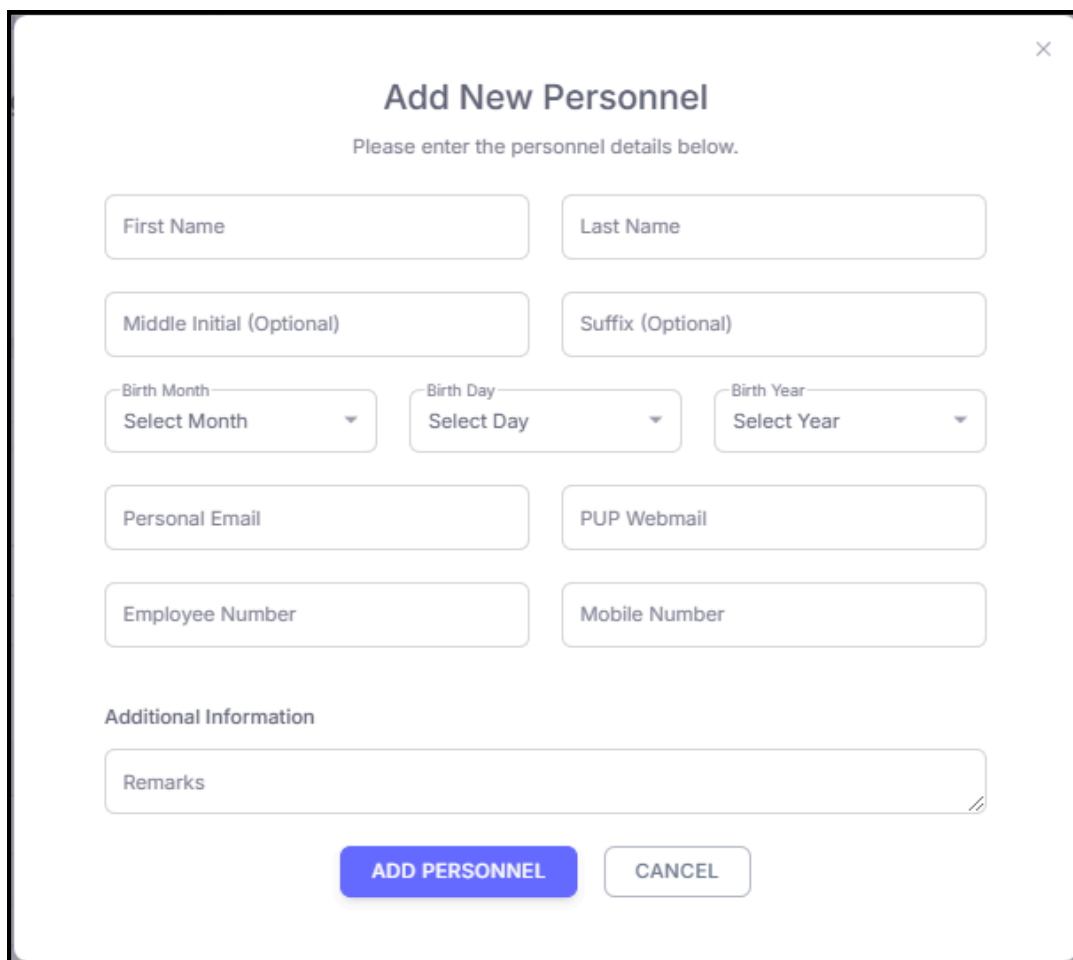

ACCOUNT MANAGEMENT

Personnel Management

A screenshot of the Personnel Management dashboard. At the top, there are four tabs: STUDENT, ALUMNI, FACULTY, and PERSONNEL, with PERSONNEL being the active tab. Below the tabs is a 'Personnel Filter' section containing two dropdown menus: 'Select Role' and 'Select Status'. At the bottom of the filter section, there is a 'Show' dropdown set to '10', a 'Search...' input field, an 'EXPORT' button with a download icon, and a blue '+ ADD PERSONNEL' button.

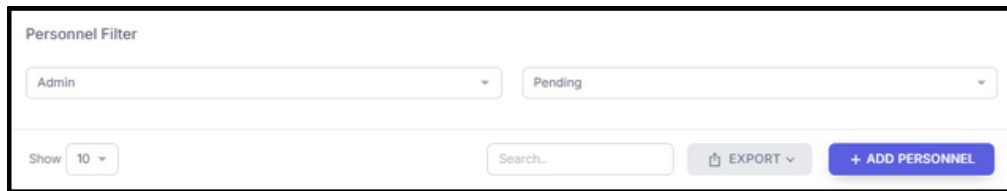

To add a personnel, just click the Add Personnel button.

A screenshot of the 'Add New Personnel' form. The form has a title 'Add New Personnel' and a subtitle 'Please enter the personnel details below.' It contains several input fields: 'First Name', 'Last Name', 'Middle Initial (Optional)', 'Suffix (Optional)', 'Birth Month' (dropdown), 'Birth Day' (dropdown), 'Birth Year' (dropdown), 'Personal Email', 'PUP Webmail', 'Employee Number', and 'Mobile Number'. Below these fields is a section titled 'Additional Information' with a 'Remarks' text area. At the bottom of the form are two buttons: a blue 'ADD PERSONNEL' button and a white 'CANCEL' button.

Fill out the fields. Once finished, just click the Save button.

ACCOUNT MANAGEMENT

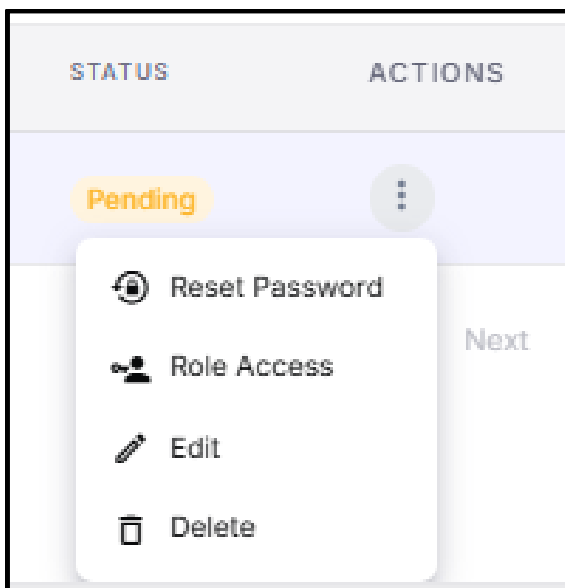

The Personnel Filter interface includes two dropdown menus for 'Admin' and 'Pending'. Below these is a 'Show' dropdown set to '10', a 'Search..' input field, an 'EXPORT' button with a download icon, and a '+ ADD PERSONNEL' button.

For search filter, system administrator will choose from role and status dropdowns to show the results.

The system administrator can click the show dropdown to choose how many results will show in the table. Also, the system administrator can search a personnel's information for finding the personnel. The export button will export all the information shown in the table.

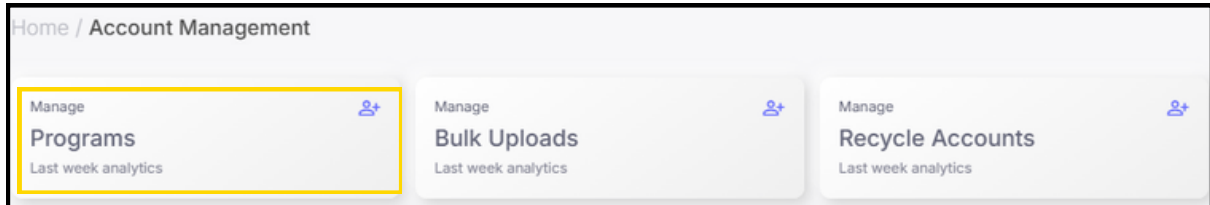

Personnel Management Actions

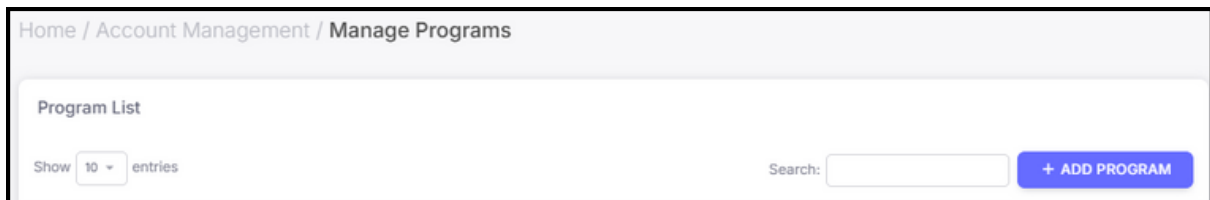

- Reset Password - Click for sending a reset password link to registered email of personnel.
- Role Access - Click for giving a role access to a personnel.
- Edit - Click for editing personnel information.
- Delete - Click for deletion of personnel account.

ACCOUNT MANAGEMENT

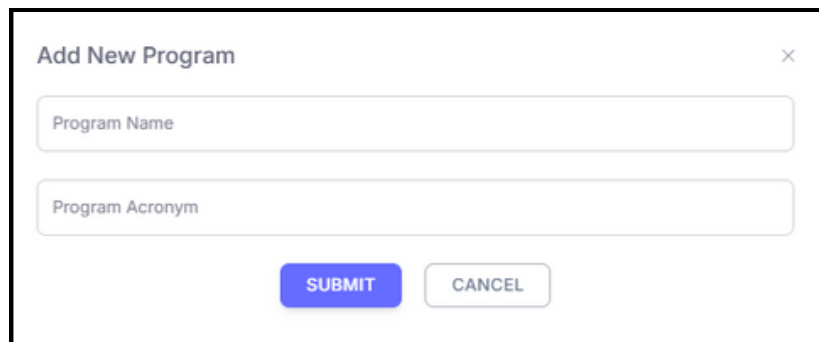

Manage Program

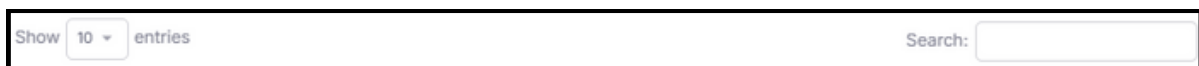

Click Manage Programs from three manage cards.

To add program, just click the Add Program button.

A screenshot of the 'Add New Program' modal form. It has a title bar with 'Add New Program' and a close button (X). The form contains two input fields: 'Program Name' and 'Program Acronym'. At the bottom, there are two buttons: a blue 'SUBMIT' button and a white 'CANCEL' button with a grey border.

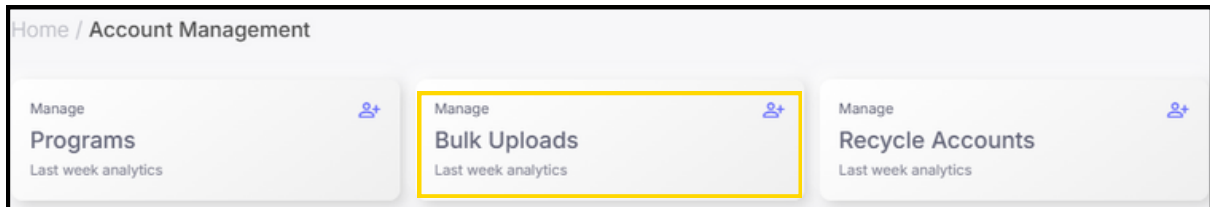

Input the program name and acronym. Once finished, click Add Program button.

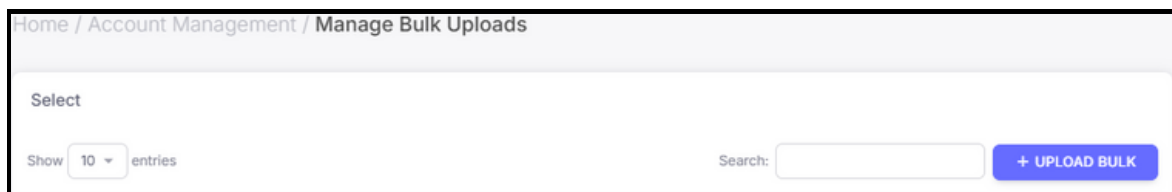

The system administrator can click the show dropdown to chose how many results will show in the table. Also, the system administrator can search a program name for finding the program.

ACCOUNT MANAGEMENT

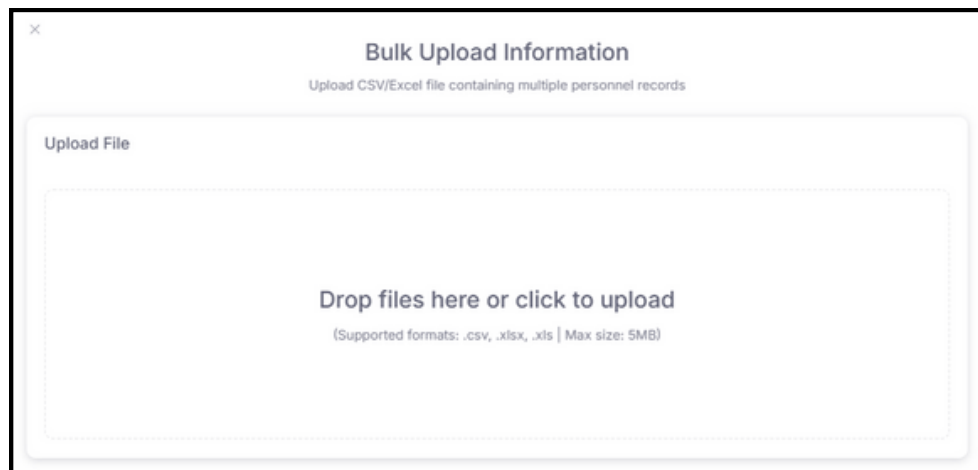

Bulk Uploads

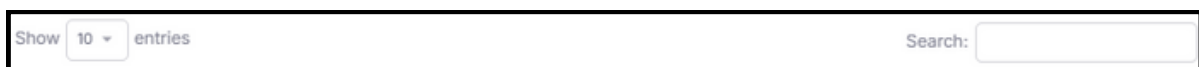

Click Manage Bulk Uploads from three manage cards.

To add bulk upload, click the Upload Bulk button. The only accepted format of file is .CSV, .XLSX, and .XLS.

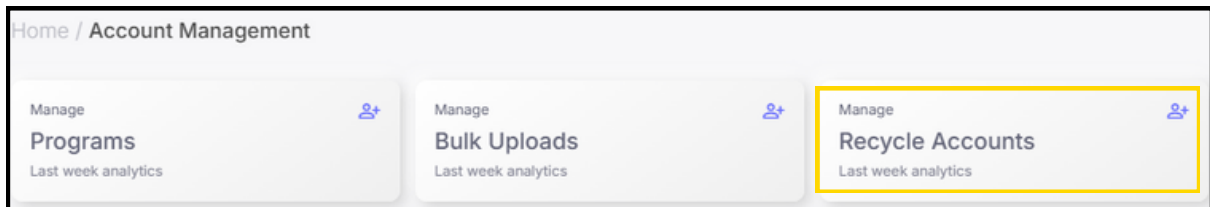

Select a file from computer and click the upload area or drag the file to upload.

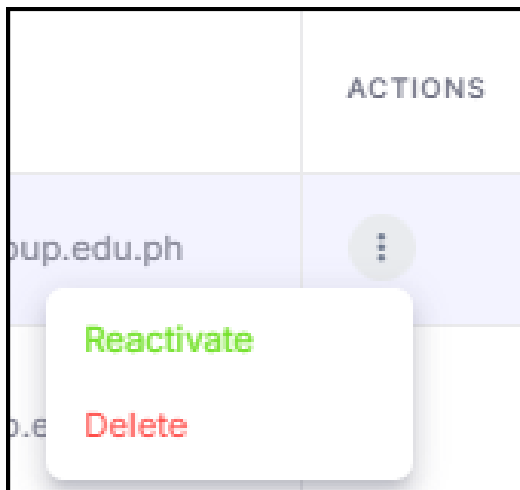

The system administrator can click the show dropdown to chose how many results will show in the table. Also, the system administrator can search a name for finding the an account to be approved.

ACCOUNT MANAGEMENT

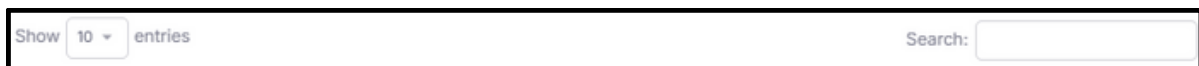

Recycle Accounts

Click Manage Recycle Accounts from three manage cards.

Once an account is in here, the System Administrator can choose to reactivate an account or delete it forever.

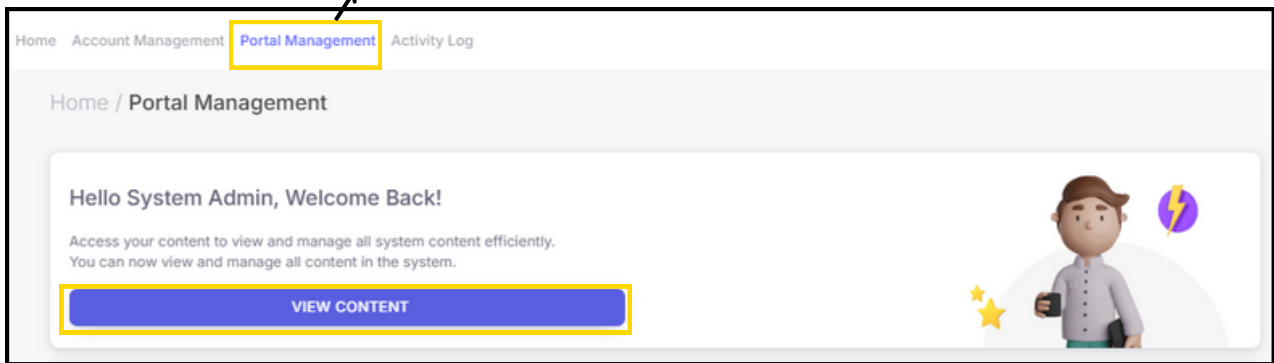

The system administrator can click the show dropdown to chose how many results will show in the table. Also, the system administrator can search a name for finding the account to be reactivated or deleted permanently.

PORTAL MANAGEMENT

myPUPQC Portal Management

Click Portal Management from menu.

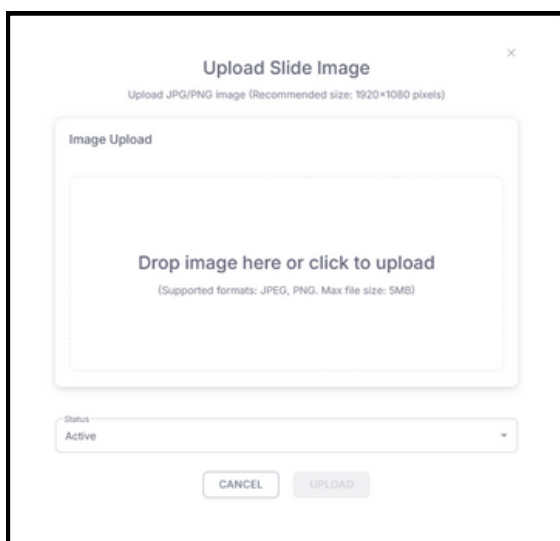

Click View Content button to see the changes made in the portal (Guest Homepage)

Slideshow Section

For the slideshow section, just click the tab of slideshow section. Click the Add Slide Show button to add a slide show in the portal.

For uploading a slideshow image, follow the recommended size before dropping an image or clicking the upload area to upload. After that, choose a status in the status dropdown to enable the upload button.

ALUMNI PROFILE

Change Password

The screenshot shows a web interface for 'Account Settings / Security'. At the top, there are two tabs: 'ACCOUNT' and 'SECURITY', with 'SECURITY' being the active tab. Below the tabs, the section is titled 'Change Password'. It contains three input fields: 'Current Password', 'New Password', and 'Confirm New Password'. Each field has a small eye icon to the right, indicating a toggle for password visibility. Below the input fields, there is a section titled 'Password Requirements:' followed by a bulleted list of rules. At the bottom of the form, there are two buttons: 'SAVE CHANGES' (highlighted in blue) and 'CANCEL'.

FACULTY ISKAHUB

Posting

For posting a content, click the posting area.

A screenshot of the 'Create Post' form. The form has a title 'Create Post' and a close button (X) in the top right corner. The main text area contains the placeholder 'What do you have in mind?'. Below the text area, it shows '0/300 words'. There is a text input field with the placeholder 'Add to your post' and an image upload icon. At the bottom of the form is a large blue button labeled 'POST'.

Input the content in the text box. Click the image area for adding an image to the content. Click Post button for posting. The post will not automatically shown in the feed because it will go to the moderator for approval.

FACULTY ISKAHUB

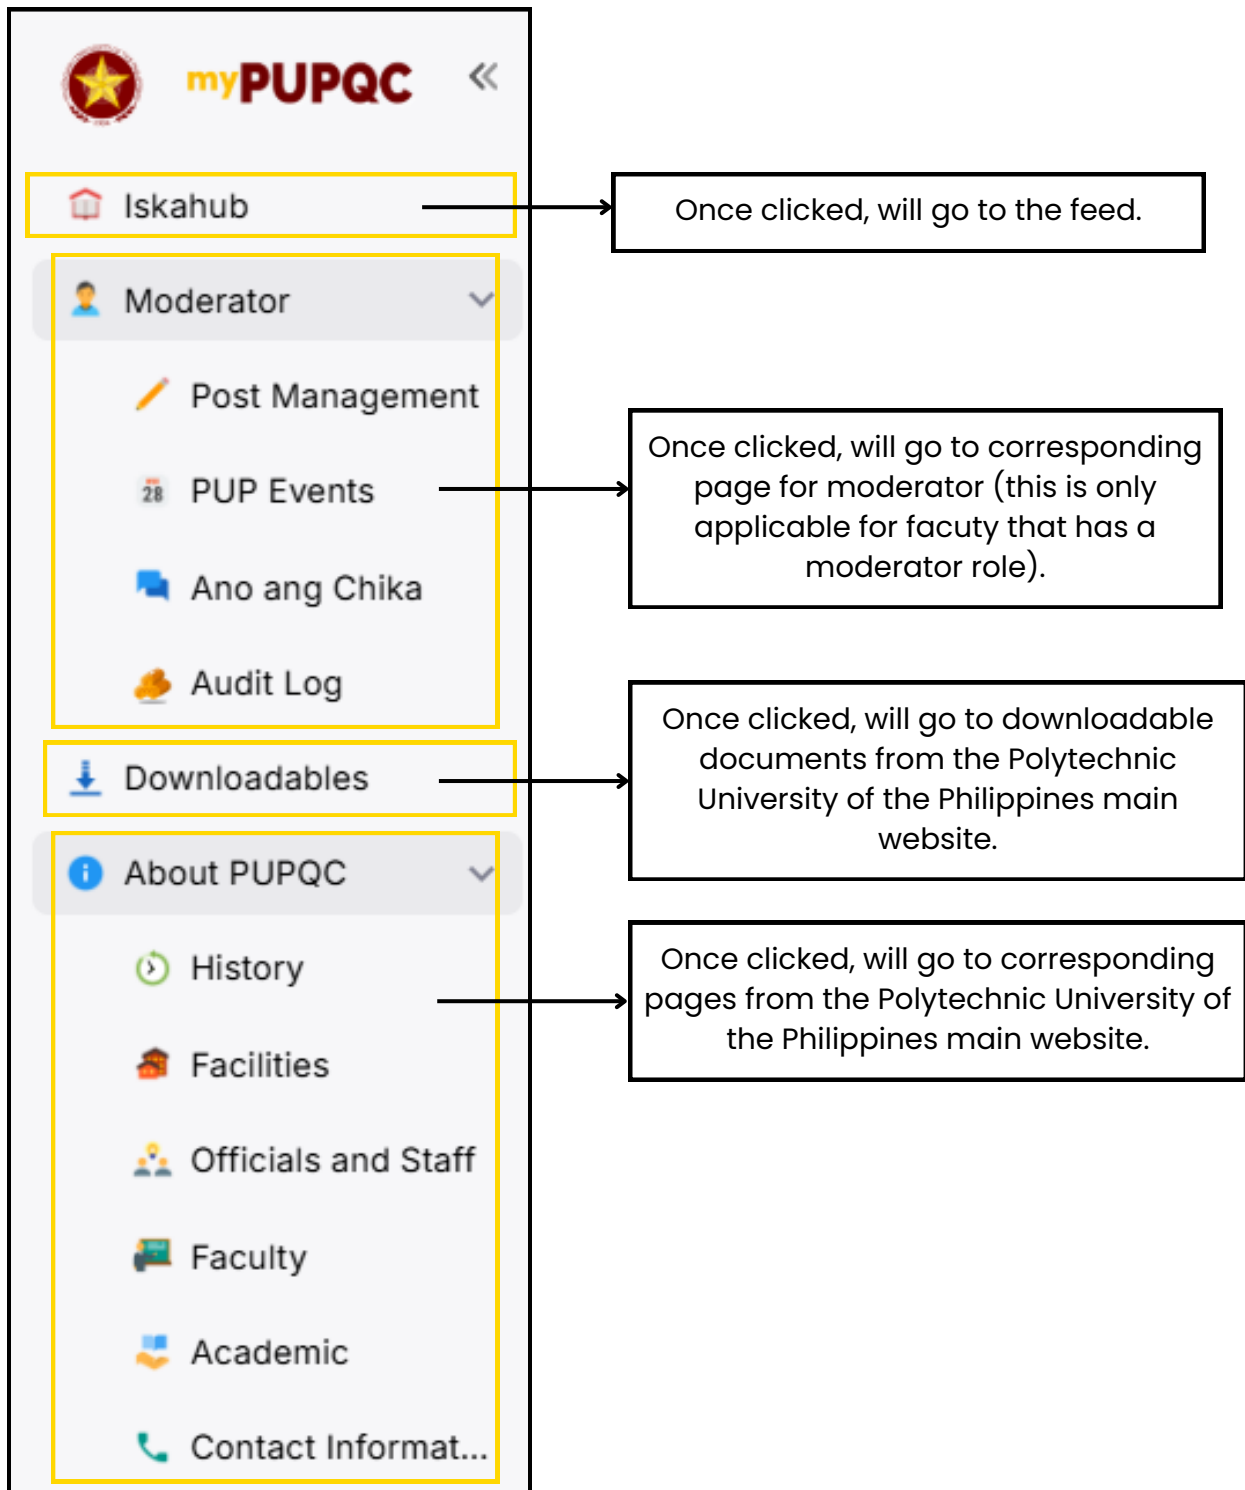

Calendar and Services

The screenshot displays the Faculty ISKAHUB interface, which is organized into three main sections: PUP Calendar, Services, and Faculty Services. Each section contains specific links or information, with callouts explaining their functions.

- PUP CALENDAR**
 - A message box states: "No events currently happening. Stay tuned for updates!" (indicated by a green 'M' icon). A callout explains: "Campus events will be shown here."
- SERVICES**
 - A list of services is provided:
 - University Calendar
 - PUP Sinta
 - Online Document Request SystemA callout explains: "Once clicked, will go to corresponding pages from the Polytechnic University of the Philippines main website."
- Faculty Services**
 - A list of services is provided:
 - PUP Visitor Appointment and Scheduling System
 - Partners and LinkagesA callout explains: "Once clicked, will go to corresponding pages from the Polytechnic University of the Philippines main website."

Sidebar

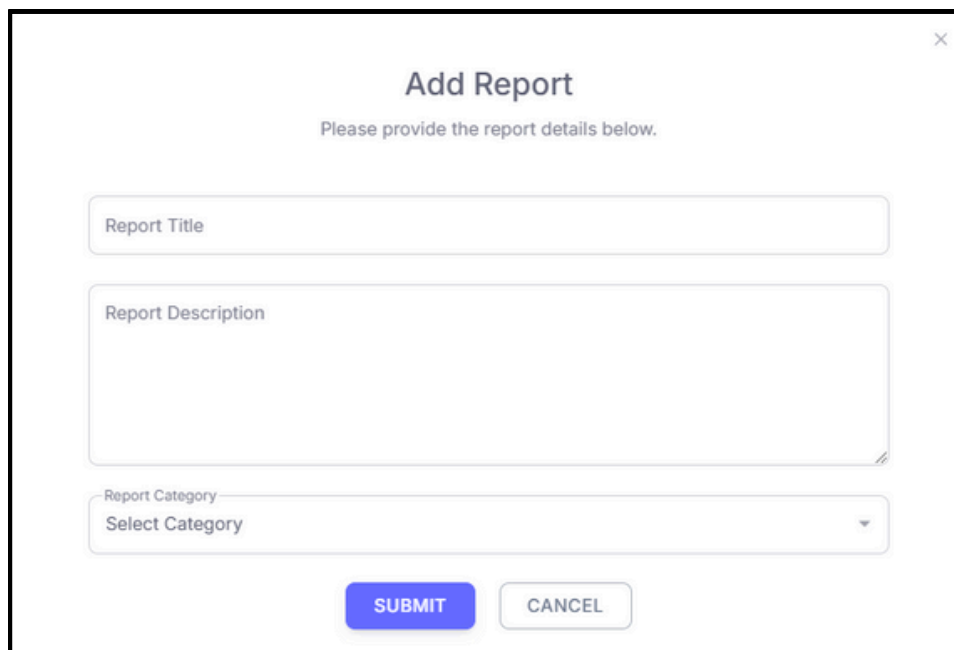

FACULTY MODERATOR

Post Management

The screenshot shows the 'PENDING FOR POST CONTAINER' tab selected. At the top, there are four tabs: 'PENDING FOR POST CONTAINER', 'PUBLISHED', 'REJECTED', and 'REPORTED'. Below the tabs is a search bar labeled 'Search Posts' with a magnifying glass icon and a 'SORT' dropdown menu. A post by 'Riku Batts College' is displayed, showing a profile picture, name, and timestamp '12 seconds ago'. The post content is 'Hi, eberibadi!'. To the right of the post is a 'Delete' button. Below the post are three buttons: 'PUBLISH' (green), 'REJECT' (red), and 'REPORT' (orange).

The faculty moderator can search the post in the search bar and sort the post by newest, oldest, and most liked. In one post, the faculty moderator can choose from publish, reject, and report. The faculty moderator can also delete the post permanently. The user who made the post will be notified if the post is rejected, reported, and published.

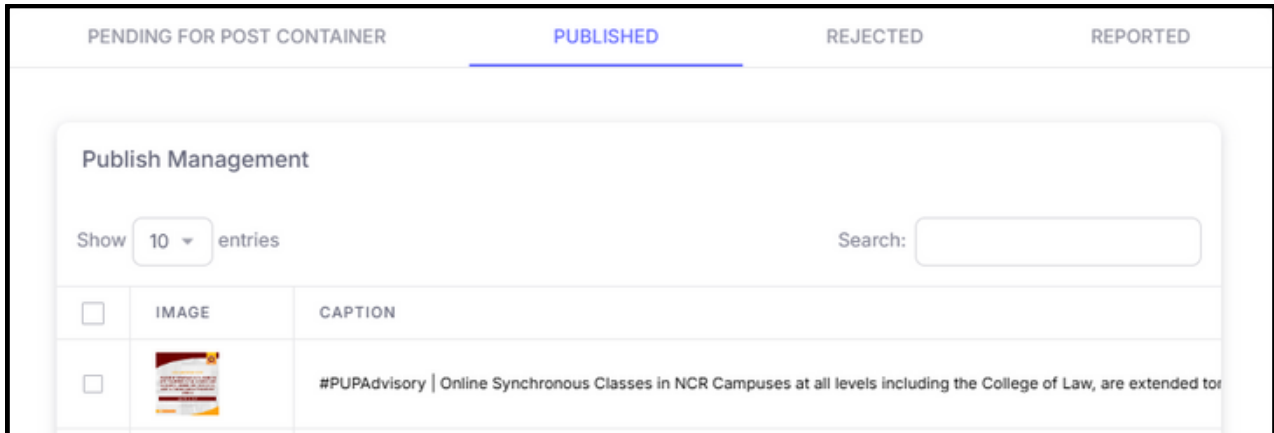

The 'Add Report' form is shown with a close button (X) in the top right corner. The title 'Add Report' is centered, followed by the instruction 'Please provide the report details below.' The form contains three input fields: 'Report Title', 'Report Description', and 'Report Category' (a dropdown menu with 'Select Category' as the placeholder). At the bottom are two buttons: 'SUBMIT' (blue) and 'CANCEL' (gray).

When the faculty moderator clicked the Report button in one post, this will show. To report a post, input the Report Title and description. Choose an appropriate category and click Submit button.

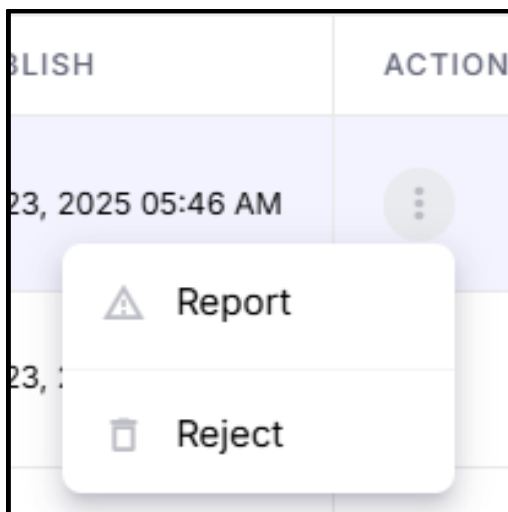

FACULTY MODERATOR

Post Management

When the faculty moderator clicked the Publish button in one post, this will go to Published. The moderator can choose how many entries will be shown in the table by choosing the show dropdown and search the post in the search bar.

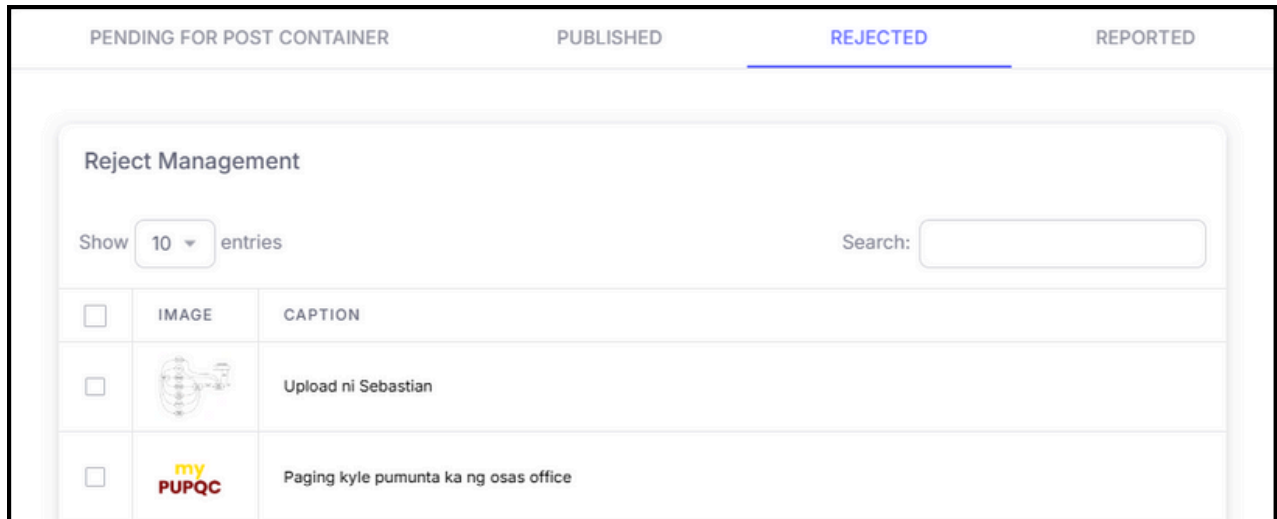

Published Post Actions

- Report - Click for reporting published post.
- Reject - Click for rejecting published post.

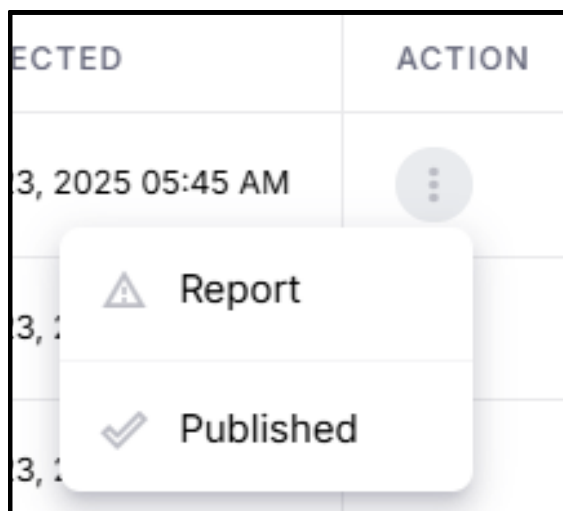

FACULTY MODERATOR

Post Management

When the faculty moderator clicked the Reject button in one post, this will go to Rejected. The moderator can choose how many entries will be shown in the table by choosing the show dropdown and search the post in the search bar.

Rejected Post Actions

- Report - Click for reporting rejected post.
- Published - Click for publishing published post.

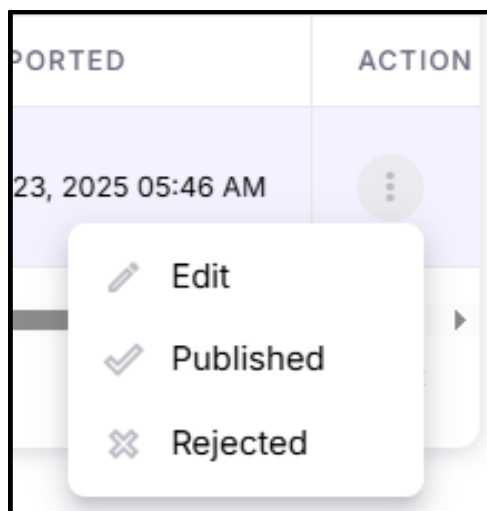

FACULTY MODERATOR

Post Management

PENDING FOR POST CONTAINER		PUBLISHED	REJECTED	REPORTED
Reported Management				
Show 10 entries		Search:		
☐	IMAGE	CAPTION		
☐		hi		

When the faculty moderator clicked the Report button in one post and submit the reason for reporting, this will go to Reported. The moderator can choose how many entries will be shown in the table by choosing the show dropdown and search the post in the search bar.

Reported Post Actions

- Edit - Click for editing report details of reported post.
- Published - Click for publishing reported post.
- Rejected - Click for rejecting reported post.

FACULTY MODERATOR

PUP Events

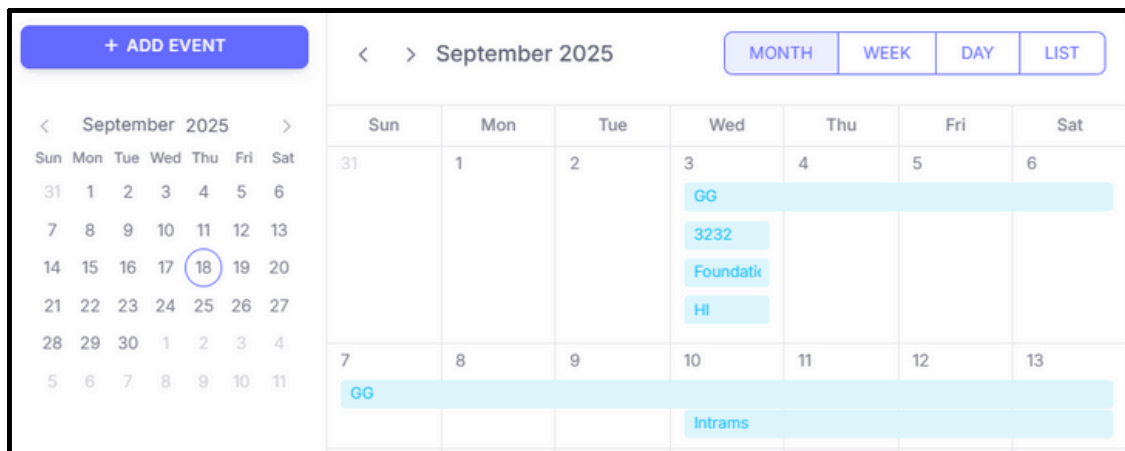

The screenshot displays the PUP Events interface. At the top left is a blue button labeled '+ ADD EVENT'. To its right is a calendar header for 'April 2025' with navigation arrows and tabs for 'MONTH', 'WEEK', 'DAY', and 'LIST'. Below the header is a detailed calendar grid for April 2025. The grid shows days of the week (Sun to Sat) and dates. The date '4' is circled in blue, indicating it is the selected date for adding an event.

For adding an event, just click the Add Event button.

The screenshot shows the 'Add Event' modal form. It has a title bar with 'Add Event' and a close button (X). The form contains four input fields: 'Event Title', 'Start Date', 'End Date', and 'Event URL (Optional)'. At the bottom, there are two buttons: a blue 'ADD' button and a white 'CANCEL' button with a blue border.

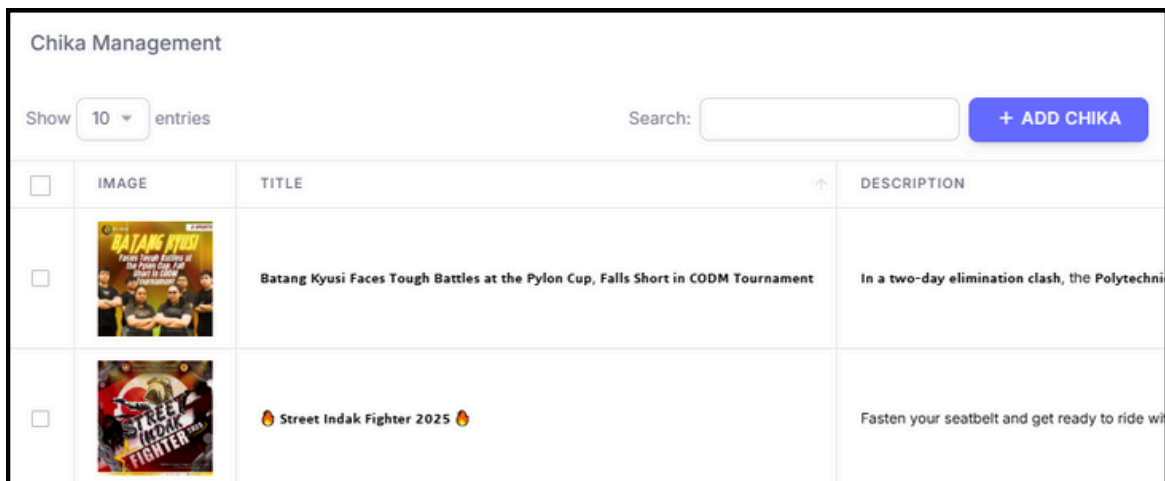

When the faculty moderator clicked the Add Event button, this will show. To add an event, enter the Event Title. Choose the start date and end date for duration. Enter the Event URL if applicable. Click Add button for adding the event.

FACULTY MODERATOR

Added Events are seen in the Calendar View. The faculty can click the Month tab for viewing the events in a month. Click the Week tab for viewing the events in a week. Click the Day tab for viewing the events in a day. Click the List tab for viewing the events in a list mode.

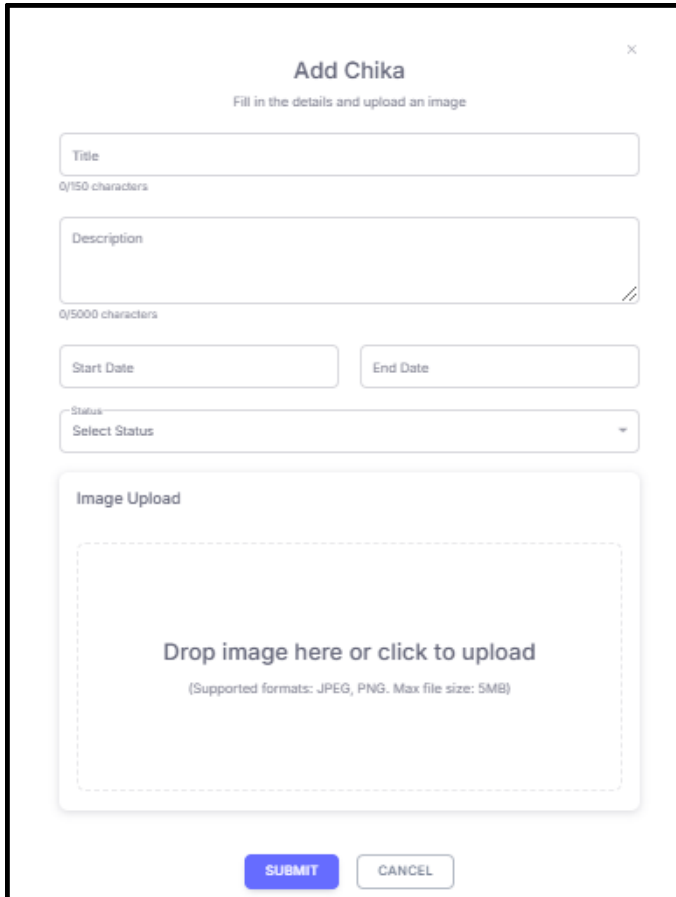

Ano ang Chika

In the *Ano ang Chika*, the faculty moderator can post the announcements (*chika*). The moderator can choose how many entries will be shown in the table by choosing the show dropdown and search the *chika* in the search bar. To add the *chika*, just click the Add *Chika* button.

FACULTY MODERATOR

Ano ang Chika

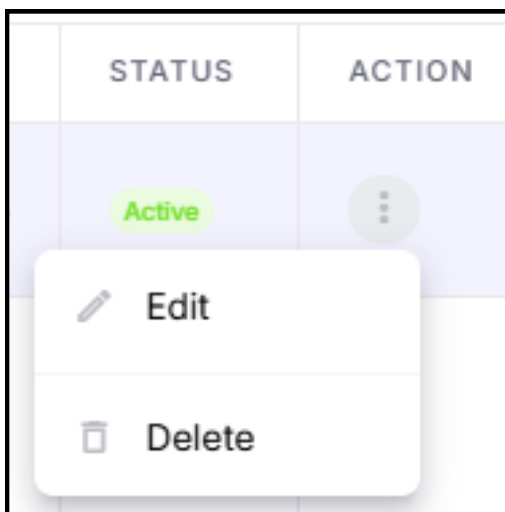

The 'Add Chika' form is a modal window with a title bar and a close button. It contains the following fields and controls:

- Title:** A text input field with a character count of 0/150 characters.
- Description:** A text area with a character count of 0/5000 characters.
- Start Date:** A date input field.
- End Date:** A date input field.
- Status:** A dropdown menu with the option 'Select Status'.
- Image Upload:** A large dashed box with the text 'Drop image here or click to upload' and a note '(Supported formats: JPEG, PNG. Max file size: 5MB)'.
- Buttons:** 'SUBMIT' and 'CANCEL' buttons at the bottom.

Input the Title of the *Chika* and its description. Choose the start date and end date of the *chika*. Select a Status and upload the image by dropping an image or clicking the upload area. The requirement size for image must be met. Click the Submit button to post the *chika*.

Ano ang Chika Post Actions

- Edit - Click for editing the post.
- Delete - Click for deleting the post.

TROUBLESHOOTING AND FAQs

SYSTEM ADMINISTRATOR

TROUBLESHOOTING

Login

Problem: I cannot access the Admin Dashboard.

Possible Causes:

- Incorrect credentials
- Account not flagged as System Administrator by the system

How to fix?

1. Use the correct credentials.
2. If password is forgotten:
 - Use the "Forgot Password" feature
 - Enter your registered admin email
 - Check inbox/spam for the reset link

Bulk Upload

Problem: Bulk Upload fails or errors out.

Possible Causes:

- File format is invalid.
- Template is incomplete or has incorrect headers
- File size is too large or contains blank rows

How to fix?

1. Only use accepted formats: .csv, .xls, .xlsx
2. Follow the exact column headers provided in the template.
3. Remove any extra spaces, blank rows, or special characters.
4. For large uploads, break into smaller batches.

Exporting or Filtering Issues

Problem: Exported files are empty or filters do not work.

How to fix?

1. Make sure the correct user type and status are selected in the filter.
2. Use the search field to narrow down results before exporting.
3. Refresh the page if export fails or try using a different browser.

TROUBLESHOOTING

Dashboard Data Not Updating

Problem: Admin dashboard number are incorrect or not refreshing

How to fix?

1. Refresh the browser or log out and back in.
2. Clear browser cache if necessary.
3. If it still does not update, check:
 - Server sync status
 - Whether background jobs (like cron) are running
 - Error logs in the backend

Recycle (Deleted Account) Problems

Problem: I cannot restore a deleted account

How to fix?

1. Navigate the Recycle > Select User Type
2. Locate the account and click Restore
3. If the Restore button is missing, the account may have been permanently deleted or corrupted. Contact database report.

FAQs

1. How do I add new users to the system

- Go to Account Management
- Choose the user type (Student, Alumni, Personnel)
- Click Add Student/Alumni/Personnel
- Fill out all required fields
- You can also bulk upload users using template.

2. What does the Recycle function do

- The Recycle module shows deleted accounts
- From here, you can:
 - View account history
 - Restore accounts
 - Permanently delete entries if needed

3. Can I assign moderator roles to faculty?

- Yes, go to the faculty in Account Management.
- Enable the Moderator checkbox.
- Save changes and they should now have post approval rights.

4. How do I manage inappropriate content or flagged posts?

- Go to Post Management > Pending Posts
- Review the content
- Choose to Reject, Publish, or Report/Flagged the post
- Add a note on take action against the user in the report pop-up form.

FAQs

5. Can I track system activity or logs?

- Yes, system admins can access audit logs showing:
 - User login attempts
 - Content moderation history
 - Account changes
- For more advanced logging, contact the development team.

6. What do I do if a faculty member cannot see student posts for approval?

- Check if the faculty member is marked as a moderator.
- If not, update their role in Account Management.
- Make sure the posts have been submitted properly and is in pending post.

7. How do I backup user data or platform content?

- Export data manually from Account Management or Post Management.
- Schedule regular backups through your hosting platform or database tools.
- Always store backups securely in compliance with data protection policies.

8. Can admin post announcements on IskaHub?

- Yes, admins can post.
- Ideal for official university-wide announcements, emergency alerts, class suspensions, and campus events.

GUEST

TROUBLESHOOTING

Access Issues

Problem: I cannot view certain pages or posts on the myPUPQC platform.

Possible Causes:

- Content is private or restricted to logged-in users
- Guest access permissions are limited by system settings

How to fix?

1. Guests can only access public content (university announcements in Articles/News section)
2. You must have an account and login with a valid account.
3. If you're a prospective student, contact Admissions for account eligibility.

Download Link Does Not Work

Problem: I click the Downloads link but redirected to a different website.

How to fix?

1. Contact the System Administrator for fixing this.

"Access Denied" Error

Problem: I get a "Permission Denied" or "Restricted Access" message.

How to fix?

1. This means the content is not available to guests.
2. For full access you must log in.
3. If you believe this is an error, contact the System Administrator.

FAQs

1. What do I do as a guest?

- View public posts and announcements
- Access certain downloadable resources
- Learn more about the university.

2. Can I create a post or comment as a guest?

- No. Posting, commenting, and content interaction are restricted to registered users.
- Guests are limited to view-only access of public contents.

3. How can I become a registered user?

- If you are a prospective student:
 - Reach out to Admissions to inquire about account eligibility.

4. Who can I contact for help or general inquiries?

- Use the Contact Us section of the website.
- You can also email or call the Campus Helpdesk which is usually listed in the footer or homepage of the website.

STUDENT

TROUBLESHOOTING

Login

Problem: I cannot log into my student account.

Possible Causes:

- Incorrect credentials
- Wrong login user selected
- Account not activated or deactivated

How to fix?

1. Double-checke that you have selected Student in log in.
2. Confirm that you are using the correct credentials
3. If password is forgotten:
 - Use the “Forgot Password” feature
 - Enter your registered email
 - Check inbox/spam for the reset link

Posting on IskaHub

Problem: My post does not appear after I submit it.

Possible Causes:

- Post is pending.
- System lag or connectivity issue.

How to fix?

1. All post must be reviewed and approved by a faculty moderator before they appear.
2. Wait for an update or email notification if applicable.

Changing Password

Problem: I get an error when trying to change my password.

How to fix?

1. Re-enter your current password correctly.
2. Choose a strong new password.
3. Make sure both “new password” and “confirm password” fields match.
4. Save changes then log out and log in again.

FAQs

1. Why is not my post visible after I click submit?

- Posts go through a moderation process.
- Post must be approved to be posted in the feed.
- You'll receive an email once your post is published or not.

2. Can I edit or delete a post after submitting?

- Currently, edit is not allowed.
- You can delete your own post after it is published.
- For correction, you will need to delete and re-post the content.

3. What type of files can I upload?

- For content posts: .jpg, .jpeg, .png, .pdf
- For system forms or uploads: .pdf, .docx

4. Can I comment or interact with other posts?

- Yes, students can comment on posts.

5. How do I update my personal information?

- Editing your personal information is not allowed. Contact the System Administrator to update your information.

6. Where can I download university-related forms or documents?

- Navigate to IskaHub, then look for Downloads.
- These contain commonly needed forms in the PUP Main Website.

ALUMNI

TROUBLESHOOTING

Login

Problem: I cannot log into my alumni account.

Possible Causes:

- Incorrect credentials
- Wrong login user selected
- Account not activated or deactivated

How to fix?

1. Double-checke that you have selected Alumni in log in.
2. Confirm that you are using the correct credentials
3. If password is forgotten:
 - Use the “Forgot Password” feature
 - Enter your registered email
 - Check inbox/spam for the reset link

Posting on IskaHub

Problem: My post does not appear after I submit it.

Possible Causes:

- For correction, you will need to delete and re-post the content.

3. What type of files can I upload?

- For content posts: .jpg, .jpeg, .png, .pdf
- For system forms or uploads: .pdf, .docx

4. Can I comment or interact with other posts?

- Yes, students can comment on posts.

5. How do I update my personal information?

- Editing your personal information is not allowed. Contact the System Administrator to update your information.

FACULTY

The bottom of the page features several overlapping, wavy lines in shades of yellow and gold, creating a dynamic, flowing effect against the solid red background.

TROUBLESHOOTING

Login

Problem: I cannot log into my faculty account.

Possible Causes:

- Incorrect credentials
- Wrong login user selected
- Account not activated or deactivated

How to fix?

1. Double-checke that you have selected Faculty in log in.
2. Confirm that you are using the correct credentials
3. If password is forgotten:
 - Use the “Forgot Password” feature
 - Enter your registered email
 - Check inbox/spam for the reset link

Posting on IskaHub

Problem: My post does not appear after I submit it.

Possible Causes:

- Post is pending.
- System lag or connectivity issue.

How to fix?

1. All post must be reviewed and approved by a faculty moderator before they appear.
2. Wait for an update or email notification if applicable.

TROUBLESHOOTING

Content Moderation Issues

Problem: I am unable to approve, reject, or report a post.

Possible Causes:

- No moderation rights assigned
- System issue or page not loading.

How to fix?

1. Confirm your account has moderator privileges (assigned by System Administrator).
2. Go to Post Management > Select Post in Pending > Click Publish, Reject, or Report.
3. If no moderator menu in sidebar, try logging out and back in or refresh the page.

Changing Password

Problem: I get an error when trying to change my password.

How to fix?

1. Re-enter your current password correctly.
2. Choose a strong new password.
3. Make sure both "new password" and "confirm password" fields match.
4. Save changes then log out and log in again.

FAQs

1. How do I approve or reject student posts in IskaHub?

- Navigate to Post Management
- Click the post in pending to preview.
- Choose:
 - Publish – to approve and make it published
 - Reject – to decline the post
 - Report – for inappropriate or offensive content

2. Can I post my own content or announcements?

- Yes, faculty can create posts on IskaHub.
- Your post will go to moderation process.

3. Where can I download faculty resources or forms?

- Go to the Downloads that can be seen in the sidebar.
- You can also see the right side with faculty services that might have the resources you need.

4. How do I update my personal information?

- Editing your personal information is not allowed. Contact the System Administrator to update your information.
